FOR IMMEDIATE RELEASE

SCH moves all Physical Therapy to Sweeny

Sweeny - It is with great sadness that we announce the movement of operations at the Kittie Nash Groce Rehabilitation Center. The Kittie Nash Groce Trustees have elected to not renew Sweeny Community Hospital's lease after 22 years.

Despite our disappointment, we will still be serving the community with the same great staff and care. Beginning July 3, 2023, all physical therapy operations will be at The Wellness Center located at 505 N. Main, Sweeny, TX. Patients can schedule their appointments by calling 979-548-4004.

We want to thank West Columbia and the surrounding communities for all the care and support you have shown us. While this is not what we planned or expected, we are beyond thankful for the many years we were able to meet your physical therapy needs. We hope to see you at The Wellness Center and continue to be excited to bring a new, state-of-the-art hospital to the area. The West Columbia Health Clinic continues to strive and has no intentions on leaving.
